

Guatemala Men's Trip

April 2020

Purpose | Spend 4 days building one or two simple houses for single parent families in the mountains of Guatemala.

Leader | Matt Sands | msands@woodsedge.org or 281-615-5017

Cost | \$1700

Example Schedule :

April 11	Fly in
April 12-13	Build houses
April 14	Sight Seeing
April 15	Fly home

Partnering Ministry:

Root Cellar Ministries

Founded by Sally and Erv York to help create healthy safe homes for single parent families in Guatemala.

*Cost of the trip includes, airfare, meals, transportation, and construction cost

*No special tools or skills required.

First Steps:

1. Fill out a trip application online at:

<http://www.woodsedge.org/article/short-term-trip-application/>

2. Meet with the trip leader.

3. Check your passport. Is it valid? Is the bar code in good shape. The expiration date must have a 6 month widow past your travel dates. <http://passports.state.gov>

4. Mark your calendar for all team meetings. Make them a priority. Let your team leader know if you cannot attend.

5. Start Fundraising. WoodsEdge recommends that you be prepared and willing to pay for at least some part of the trip yourself, but we also encourage fundraising/prayer letters as a great way to let people partner with you.

At WoodsEdge we know *Prayer is the Real Work.*

- Pray for the families that you will be serving in Guatemala
- Pray about your team and your role on the team
- Pray about unity on your team and hearts to serve
- Pray for health, safety and great weather
